Dear Sir:

The documents set forth on the enclosed Form PTO/SB/08a/b have not been submitted or cited in the present application. It is understood that the Office is under no obligation to consider these documents at this time; however, to complete the record they are submitted. Copies of the non-patent literature documents are enclosed.

While applicants believe that the documents are in no way destructive of patentability of the allowed claims, in the interest of completeness, they are submitted herewith. Document numbers 1-7 are from *General Atomics, Diazyme Laboratories Division vs. Axis-Shield ASA*, currently pending in the United States District Court for the Northern District of California, San Francisco Division, Case No. 3:05-cv-4074 SI.

In the unlikely event that the transmittal form is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief (such as payment of a fee under 37 C.F.R. § 1.17 (p)) is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petition and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing 466992001400.

Dated: July 6, 2006

Respectfully submitted,

By
